

A note from South Jersey Lacrosse regarding Concussion Training for Coaches

From: Dave Robbins [mailto:sjylaxlord@gmail.com]

Sent: Monday, March 03, 2014 1:55 PM

Subject: Concussion Training

Every coach in the league must complete a free on-line concussion class. Please click on this link <http://www.cdc.gov/concussion/HeadsUp/Training/HeadsUpConcussion.html>. When the coach has completed the course, he/she will be able to print the certificate that shows they have completed it. **ALL TOWN LEAGUE DIRECTORS** should receive a copy of the certificate from each coach Town's coaches and shall keep them on file. Washington Township will not allow any coach on their property during championship weekend without this certification. This concussion training is already a part of our Bylaws.

Regards
